ER-650/655

**Thermal / Dot
type ECR**

ER-650's basic concept gives you a choice of either Thermal or Dot type to get a proper ECR at your store environment.

ER-650 plays an excellent role with versatile functions to fulfill your business needs. Large LCD shows all transactions at a glance and rotating LCD with backlite can adjust operator's visibility in dim store condition. With user friendly application software included in ER-650, the user can easily operate all transactions.

In addition, ER-650 can offer a powerful expendability when provided with options such as 2 RS-232C, IRC.

ER-650/655

Thermal / Dot type ECR

• Multi-Line LCD

Large LCD(8 line x 20 characters) shows all transactions.

• Rotating LCD

The user can rotate the LCD display for high visibility.

• Flat Key Board

Many flat keys help the user easily operate all transactions.

■ Fastest and quietest receipt printing (35mm/sec, 8.2LPS)

■ Rotating LCD with backlight

■ User friendly S/W

■ Multiple Option (RS-232C, IRC, Clerk key)

■ IRC up to 8 ECRs

■ Elegant looking ECR

■ Specifications

		ER-650	ER-655
